PART 1 - ATTORNEY/APPLICANT COPY

Gary Foster and Donna Foster; Disposable Lawn Booties; Application #09/994,347

I, Gary Foster, have invented a new design for a pair of Disposable Lawn Trimming Booties as set forth in the following specification:

FIG 1 is an example of how the Booties would fit over the shoes and pants being worn by a person.

FIG 2 is a side view of the Booty with the given dimensions of the Disposable Lawn Trimming Booty.

FIG 3 is a side view of the Booty without the dimensions given. Both sides of the Lawn Trimming Booty have the same dimensions.

I, Gary Foster, claim: My invention will keep the lower part of pants, shoes, and socks clean while lawn trimming with gas or electric trimmers and they are disposable after usage.
